

**Exam: Wastewater Treatment Foreman, Correction 09.2017**

The exam for this position is an evaluation of your related background.

Questions #1 - #6 are minimum requirements for this position.

Question # 7 is for your required resume to include a summary of your work history, education, training, and experience.

For any education and training, describe the course title(s), the content, and hours/credits, dates (mo/yr) of each.

For experience, describe job duties, employers, and employment dates (mo/yr).

Failure to submit a resume with all requested information may result in you not being considered for this position.

\*Important: "Typically gained by" statement provided in the exam questions is the minimum requirement for that question. BE SURE TO INCLUDE ANY ADDITIONAL INFORMATION ON YOUR TRAINING, EDUCATION AND/OR EXPERIENCE, AS THIS MAY INCREASE YOUR SCORE. Please be complete in your response.

This information will be provided to the hiring supervisor when making a hiring decision.

**1. Applicants must possess or be able to obtain a Wastewater Treatment License 1, Wastewater Collection License, and Land Application License within 18 months of hire.**

Please provide specifics about the following:

- A. Do you currently hold or have you previously held a Wastewater Treatment License 1?
- B. Do you currently hold or have you previously held a Wastewater Collection License?
- C. Do you currently hold or have you previously held a Land Application License?
- D. If not, are you willing to obtain these licensures within 18 months of hire?

For more information regarding licensure please contact the Idaho Bureau of Occupational Licenses at (208) 334-3233 or [www.ibol.idaho.gov](http://www.ibol.idaho.gov)

Answer

---

**2. Describe your knowledge of the operation, maintenance, and repair of equipment utilized with wastewater treatment and storage lagoon systems.**

This is typically gained through at least six months experience working in a wastewater plant or land application system and licensure in one of the areas listed in question #1

OR

one year experience in this area.

Include in your response any experience you have maintaining wastewater collection sewer lines, grinders, and lift stations, working on wastewater systems permitted for land application, and maintaining wastewater records and submitting reports to regulatory agencies.

Answer

---

**3. Please describe how you gained good knowledge of wastewater treatment chemicals and their safe use and storage.**

This is typically gained through completion of seminars or training in this area with limited experience in the application of wastewater chemicals.

Include in your response any specialized training you have in the chemical treatment area, the type of chemicals you have used and the type and size of the facility where you have used these chemicals.

Answer

---

**4. Please describe how you gained good knowledge of wastewater sample collection procedures.**

This is typically gained by at least one year of experience conducting water and/or soil samples.

Answer

---

**5. Please describe your experience making cost estimates for equipment repair and replacement.**

This is typically gained by at least six months of experience making cost estimates or estimating jobs.

Answer

---

**6. Do you have a valid driver's license?**

- ☐ Yes
- ☐ No

---

**7. IMPORTANT: You MUST add your customized resume to the space provided or you will fail this exam. Links will not be accepted. Your resume MUST support your answers provided in this exam. Inaccurate information may result in your removal from this register.**

**Emphasize your education, experience, and training directly related to the exam questions. For education or training, list the title and course number (if available), dates, number of classroom hours (or days) and/or credits with a brief description of the content. For experience list the months and/or years held, title of your job(s), and the name of the employer(s) where you worked in this capacity.**
